Mechanical in vaageswari college of engineering which is affiliate to
JNTU HYDERABAD With 57%. My strengths are i am self motivated,
Hard working and disciplined person. My goal is work in a company
Where my skills will be useful to grow the company . my hobbies
Are listening to podcasts ,and interested in learning new skills .
That's all about me.once again thankyou for giving me this opportunity.

Reason for taking data science course

  Coming to **data science** now-a-days the flow of data is increasing in
 information technology. where data is the fuel of new age generation .
Where coming to organization from small companies to MNCs are using
This technology. Many companies are using data to grow in the future.
In the future AI is going to rule the world. Where data science is needed in AI.
By studying data science there is a chance to work with automation companies.
In data science is multiple job roles like data engineer, data analytics ,
data visualization etc.
